

Sewing Destash Market

Saturday 13 September 2025

Mt Gravatt Showgrounds

Yes we are back bigger than ever in 2025! The Sewing Destash Market is expanding.... the same team and management but under our new bespoke market management group - Together Event Co.

September in Mt Gravatt is our favourite event of the year and our format continues to be a unique offering and loved by the sewing community in South East Queensland.

After holding our prices stable for this past three years there will be some increases in stall costs inline with the increases in hiring the grounds, the increases in public liability insurance and equipment hire.

We will also be adding some additional staff to our bump in and bump out teams to ease the pressure in these busy times.

We welcome both small businesses and individuals to be vendors at our event. If you have not joined us before we welcome you to the Destash Market Team and look forward to help you turn your stash into cash.

We Are Unique! Together Is Our Motto!

We have a solid sense of community, working together with local not for profits and community groups - these included Care Kits For Kids, Creative Women's group, Boomerang Bags, CWA, Sewing For Charity Australia and The Nest Community.

Over the past 5 years we have raised over \$15 000 for various charities through our Patterns For charity and we will be joined again this year by the amazing team from Care Kits For Kids.

We are always looking for patterns to add to our collection so please spread the word and get in touch if you have patterns to donate.

We are here to work with you each step of the way. We care about our vendors and visitors and want everyone to have an amazing day.

Our Advertising

Our investment in advertising ensures our success! We invest in a strong marketing campaign to reach our audience and bring numbers to the event.

We work with an amazing local small business to make things happen and to ensure that the right people see and attend. We promote the market as a joint venture - on occasion we will use vendor photos but the market group advertising is our goal.

Stallholder Essentials

- Our market thrives on the fact that we are a genuine DESTASH event. This means that we are selling excess products at discounted prices. This makes us unique and successful.
- Allowed products include -: quilting fabric, dress fabric, vintage fabric, notions, haberdashery, craft items, threads, sewing books, hand stitching items, embroidery, sewing gadgets, sewing and crafting tools, patterns and craft magazines.
- Handmade clearance items and excess small business stock is welcome but must only take up a small part of your offer.
- We do not accept-: non handmade clothing, items that are not sewing or craft related, plants, candles, general handmade. If you have items to sell and are unsure please touch base before applying. We may call you to discuss your application.
- All sites will need their own tables and equipment. If you are outside you will need a marquee and marquee weights.
- We have a Vendors Facebook page as well as a Stallholder Update which is emailed out to help you with planning for the event.
- Liking, sharing and commenting from stallholder is essential.

Public Liability

Public Liability Insurance is vital for all stallholders. If you have your own cover, you will need to provide your policy info in the Application. if you do not have insurance , as the event co-ordinator we can provide your public liability insurance at the discounted rate of \$20 for table sites and \$30 for all 3m x 3m or larger site. Please indicate this on your application.

- Early Bird Entry to the event is \$5 - these tickets will give customers the first access to the market from about 8.45am.

- There is free parking which is plentiful at the Mt Gravatt Showgrounds. No pets allowed without a permit

Markdown Madness

From 12noon till 1pm entry to the event will be FREE. 12noon is the time to discount, haggle, spruik and reduce your stock!

Prepare your signs - sell off your remaining stock and if you don't want to take it home consider speaking with the onsite charity sewing groups to donate.

This year we will be looking for ways to encourage visitors and sales in the last hour - we need your help and will be discussing ideas in the vendor group.

Event Sites

The event will be held in the hall and grassed area in the Showgrounds - there are both inside and outside stall locations. All sites will need their own tables, equipment, marquee if outside and marquee weights.

Table Hire is \$15 but we encourage you to bring your own. All stall sites butt up to each other - your allocation is for your space only. Allocating extra space late on might be difficult, so consider how much space you need when applying. We encourage you to maximise your display by using racks.
